

Directions: Read the story below. Answer the following question then write the appropriate thank you letter.

Hazel and Laura are best friends. One day, they decided to climb up a mango tree. As Laura climbed up the tree, her foot slipped and she fell off the tree. As a result of this, Laura injured her arm. Hazel quickly ran home and got a first aid kit. She made a splint using a wooden board and a bandage. She wrapped it around Laura's broken arm. They then hurriedly went to the hospital to seek treatment.

At the hospital, the doctor checked on Laura's arm. The doctor commended Hazel for acting quickly in helping her friend. If Hazel had not been quick to help Laura then Laura could have suffered worse with her injury.
