Topic: Math – Money: Word Problems – Finding Total, Finding Change

Directions: Solve and label your answer.

1. Tim went shopping for books. In the bookstore, he saw that the adventure book costs Php235.25 and the puzzle book costs Php128.00.

a) How much will Tim spend for the adventure book and the puzzle book?

b) If Tim has Php500.00, how much would his change be?

2. Rhonda would like to give a basket of fruits as a gift to her grandmother. In the market, she spent Php136.00 for a bag of apples, Php268.90 for a bag of grapes, Php96.35 for a bag of pears and Php85.00 for the basket.

a) How much did she spend in all for her gift to her grandmother?

b) Rhonda paid Php600.00, how much change did she get back?
