

Name : _____

Topic: Math –Division 2s and 3s – Writing Equations

Direction : Read each mathematical sentence very well and then write an **equation and solution**.

Encircle your answer

A) What is 4 threes divided by 3?

B) What is 3 threes divided by 3?

E: : _____

E: : _____

S/A:

S/A:

C) If the divisor is 2 and the dividend is 18,
What is the quotient?

D) If the divisor is 3 and the dividend is 18,
what is the quotient?

E: : _____

E: : _____

S/A:

S/A:

E) If the divisor is 3 and the dividend is 15,
What is the quotient?

F) What is the dividend if the divisor is
2 and the quotient is 14.

E: : _____

E: : _____

S/A:

S/A:
