

Name : _____

Topic: Math – Comparing and Ordering (Up to Hundred Millions)

Directions: Arrange the set of numbers from the least to the greatest.

_____	572 039	_____	3 835 069	_____	403 154 265
_____	573 209	_____	3 568 530	_____	402 148 627
_____	573 220	_____	3 896 303	_____	403 723 294
_____	573 029	_____	3 668 305	_____	423 548 462

Directions: Arrange the set of numbers from the greatest to the least.

_____	402 786	_____	56 780 493	_____	209 603 588
_____	402 678	_____	65 789 590	_____	209 503 588
_____	420 769	_____	65 785 950	_____	209 530 855
_____	402 807	_____	56 879 473	_____	209 350 858

Directions: Compare each set of numbers. Write $>$, $<$, $=$ on the blank.

86 413		8 ten thousands + 6 thousands + 1 tens + 3 ones
Two hundred seventy six thousand and seven		276 707
943 727		943 772
3 578 034		three million five hundred seventy eight thirty-four
9 millions + 5 hundred thousands + 6 ten thousands + 4 thousands + 1 hundreds + 6 ones		9 564 016
24 498 134		24 489 314
340 207 058		300 000 000 + 40 000 000 + 200 000 + 7000 + 500 + 8
200 000 000 + 80 000 000 + 9 000 000 + 300 000 + 80 000 + 7000 + 400 + 90		Two hundred eighty
