Topic: Reading Comprehension - Advertisement

Reading is a primary means of learning, yet there are children who have little or no access to books that will feed their mind towards a bright future. With your assistance, more school children may afford the luxury of knowledge by simply asking their cause thru the Run To Read Fun Run that is being done in partnership with National Bookstore's Buklat Aklat program.

LET'S RUN TO BUILD LIBRARIES FOR SCHOOL CHILDREN

Sponsors: Drypers, HealthToday, MOMS TODAY, TOBY'S, National Bookstore Foundation, Reebok, Sony Ericsson, RUNNR, Royal Sporting House, SECONDWIND, and others.

The Buklat Aklat Leave Behind library is an off-shoot project of the Buklat Aklat Mobile Library consisting of about 750 books covering the fields of Science, Math, Philippine Literature and Culture that visits public schools and other impoverished learning centers nationwide, giving every Filipino child the chance to freely browse and read good books. The Leave Behind Library is permanently donated to a chosen scholastic institution. Children can now enjoy longer access to good quality reading materials.
